AMENDMENT OF LEASE AND AUTHORIZATION TO RELOCATE BUOY FIELD

LESSEE:

Tri-Association, a California nonprofit mutual benefit corporation
P.O. Box 88
Tahoma, CA 96142

AREA, LAND TYPE, AND LOCATION:

Sovereign land in Lake Tahoe, adjacent to 7001 West Lake Boulevard, near
Tahoma, El Dorado County.

AUTHORIZED USE:

Continued use and maintenance of an existing pier, 38 mooring buoys, two
marker buoys, and swim line.

LEASE TERM:

10 years, beginning March 5, 2012.

CONSIDERATION:

\$887 per year, with the State reserving the right to fix a different rent periodically
during the lease term, as provided in the lease.

PROPOSED AMENDMENT:

Amend the lease to:

1. Delete Exhibit A, Land Description, and Exhibit B, Site and Location Map;
2. Include the attached Exhibit A, Land Description, and the attached Exhibit
B, Site and Location Map;

All other terms and conditions of the lease shall remain in effect without
amendment.

CALENDAR ITEM NO. **C03** (CONT'D)

STAFF ANALYSIS AND RECOMMENDATION:

Authority:

Public Resources Code sections 6005, 6216, and 6301; California Code of Regulations, title 2, section 2000, subdivision (b).

Public Trust and State's Best Interests Analysis:

Applicant owns or has permission to use the upland adjoining the lease premises. The subject buoys are for the docking and mooring of boats. Recreational boating is a water-dependent use that is generally consistent with the common law Public Trust Doctrine. The California Legislature has identified private recreational boating facilities as an authorized use of Public Trust lands (Pub. Resources Code, § 6503.5). The subject facilities are privately owned and maintained. The adjacent upland parcels are privately owned and developed subdivisions.

On March 29, 2012, the Commission authorized a General Lease – Recreational Use to Tri-Association (Association) for a pier, 38 mooring buoys, two marker buoys, and a swim line ([Calendar Item 51, March 29, 2012](#)). The Lease will expire on March 4, 2022. The Lessee is now applying for an Amendment of Lease No. PRC 3775.1 to relocate the 38 mooring buoys and two marker buoys. The buoy field has existed in this location for many years, but was not arranged in an orderly pattern. The proposed amendment will relocate the buoys into an orderly grid within the projection line of Lessee's property. The new configuration will reduce interference with buoys maintained by adjacent property owners.

Any relocation of the buoy field must be authorized in writing by the Commission pursuant to Section 2, Paragraph 10 of the lease. Staff recommends that the Commission delegate authority to the Executive Officer or her designee to provide written permission for the Lessee to conduct the relocation of the existing buoy field, provided:

1. Lessee obtains all required permits,
2. Lessee complies with seasonal work restrictions or other permit conditions,
3. Lessee provides copies of all permits and notice that work will commence at least 15 days prior to any relocation work, and
4. Lessee provides Commission staff with photographs and a site plan drawing within 60 days of completing the relocation.

CALENDAR ITEM NO. **C03** (CONT'D)

The lease contains terms that minimize impacts to Public Trust values while the buoys are relocated. Commission staff believes the relocation will not substantially interfere with Public Trust needs at this time and at this location. Based on the above analysis, staff believes issuance of this amendment is consistent with the common law Public Trust Doctrine and in the best interests of the State.

OTHER PERTINENT INFORMATION:

1. This action is consistent with Strategy 1.1 of the Commission's Strategic Plan to deliver the highest levels of public health and safety in the protection, preservation, and responsible economic use of the lands and resources under the Commission's jurisdiction.
2. The staff recommends that the Commission find that this activity is exempt from the requirements of the California Environmental Quality Act (CEQA) as a categorically exempt project. The project is exempt under Class 2, Replacement or Reconstruction; California Code of Regulations, title 14, section 15302.

Authority: Public Resources Code section 21084 and California Code of Regulations, title 14, section 15300 and California Code of Regulations, title 2, section 2905.

3. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code section 6370 et seq., but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.

APPROVALS REQUIRED:

U.S. Coast Guard
Tahoe Regional Planning Agency
U.S. Army Corps of Engineers
California Department of Fish and Wildlife
Lahontan Regional Water Quality Control Board

EXHIBITS:

- A. Land Description
- B. Site and Location Map

CALENDAR ITEM NO. **C03** (CONT'D)

RECOMMENDED ACTION:

It is recommended that the Commission:

CEQA FINDING:

Find that the activity is exempt from the requirements of CEQA pursuant to California Code of Regulations, title 14, section 15061 as a categorically exempt project, Class 2, Replacement or Reconstruction, California Code of Regulations, title 14, section 15302.

PUBLIC TRUST AND STATE'S BEST INTERESTS:

Find that the proposed lease amendment will not substantially interfere with Public Trust needs and values at these locations at this time, is consistent with the common law Public Trust Doctrine, and is in the best interests of the State.

SIGNIFICANT LANDS INVENTORY FINDING:

Find that this activity is consistent with the use classification designated by the Commission for the land pursuant to Public Resources Code section 6370 et seq.

AUTHORIZATION:

1. Authorize the amendment of Lease No. PRC 3775.1, a General Lease – Recreational Use, effective October 13, 2016, to delete Exhibit A, Land Description, and Exhibit B, Site and Location Map (for reference purposes only); include the attached Exhibit A, Land Description, and the attached Exhibit B, Site and Location Map (for reference purposes only); all other terms and conditions of the lease will remain in effect without amendment.
2. Delegate authority to the Executive Officer or her designee to provide written permission for the Lessee to conduct the relocation of the existing buoy field, provided:
 - a) Lessee obtains all required permits,
 - b) Lessee complies with seasonal work restrictions or other permit conditions,
 - c) Lessee provides copies of all permits and notice that work will commence at least 15 days prior to any relocation work, and
 - d) Lessee provides Commission staff with photographs and a site plan drawing within 60 days of completing the relocation.
